EDUCATION

Virginia Tech | B.S. Computer Science | 3.73 GPA

Expected graduation Spring 2026

- Coursework: Software Design and Data Structures, Cloud Computing Software, Operating Systems
- Designed and built a musical instrument prototype using CAD, utilize MATLAB in coursework

Rising Sophomore Abroad Program | Study Abroad

Jan. 2024-May 2024

- Engaged with 8+ STEM companies and universities across Japan through an engineering exchange program
- Enhanced global engineering ethics knowledge and problem-solving skills in diverse settings
- Planned and executed a museum field trip for 8 peers

WORK EXPERIENCE

CACI International | Software Engineer Intern

May 2025 - Aug. 2025

- Collaborated with 5 co-interns to create a satellite tracking & tasking web-app using Java, React, SQL

ACTIVITIES

Society of Asian Scientists and Engineers (SASE) | Internal Task Force Chair

Apr. 2024-Present

- Generate and execute innovative events for 300 members, optimizes budget for goals

SASE Web Development Committee

Mar. 2024-Apr. 2024

- Updated photos on club webpage using HTML, collaborated with members to complete tasks

FIRST Robotics Club Java Programmer

Dec. 2021-Apr. 2022

- Coded Java programs for prototypes, learned hardware engineering and CAD, mentored 2 students in Java

Tennis Coach

Oct. 2022-Mar. 2023

- Planned drills and lesson plans once a week for 5 high school students, coordinated practice games

STEM Discovery Fair Volunteer

Oct. 2023

- Advised 10 students in activities exploring various STEM fields through hands-on activities

HONORS

- Dean's List
- FIRST Robotics Club World Championship Participant
- AP Scholar
- National Honor Society
- Academic Letter
- Scholar Athlete Award
- Honor Roll
- Varsity Tennis Team Spirit Award

Fall 2023-Spring 2024

April 2022

Jun. 2022 & 2023

Nov. 2021-Jun. 2023

Sept. 2019-Jun. 2023

Nov. 2019-Jun. 2023

Sept. 2016-Jun. 2023

Jun. 2023

SKILLS

- Java, Python, C, Linux, HTML, MySQL
- Proficient in Microsoft Office
